We Give Back!

Charitable Giving Guidelines

Each year, Jennifer L. Krempin & Associates, LLC, donates up to 10% of annual profits, on a calendar basis, to established nonprofit 501(c) organizations that make a positive and significant impact on the communities in which we—and our clients—live and work.

At the start of each engagement, we invite our clients to recommend the beneficiary organization of their choice for our consideration. In lieu of a client's recommendation, we will make a charitable donation at our discretion to the charitable organization of our choosing.

Organizations that will be considered as beneficiaries include those whose missions are focused on:

- Animal welfare
- Arts and culture
- Education
- Environmental stewardship
- Global issues
- Health care
- Human services/social services
- Nonprofit organizations on which our clients and/or associates serve as directors or officers

Please note that we do not support fund-raising events, competitions, clubs, individuals, government agencies, "personal" charities, political campaigns or events, athletic clubs or fraternal organizations. All other funding requests may be considered on a case-by-case basis.
